

Lake Rosseau North Association

*season's
greetings*

Dear LRNA Members;

Winter has well and truly arrived in Rosseau. All signs are pointing to a very white holiday season with loads of winter activities for those who are fortunate enough to spend some time in the North Lake Rosseau area.

Enjoy!

It was a busy fall with the activity surrounding the October Municipal Election. We are pleased to announce that Ann MacDiarmid was elected as the new Mayor of Seguin Township and Gail Finnsen is the new Council member for Ward 6. Both Ann and Gail are members of LRNA and we are confident of their on-going support for our initiatives.

Gail takes over from Jack Hepworth who decided to retire from political life this year after loyally and effectively serving as our area's representative at the Township of Seguin for two terms. Jack worked tirelessly to support the interests of those he represented. The LRNA Directors knew we could always count on Jack for everything from wise advice to active involvement in LRNA functions to advocacy on issues of importance. We look forward to continuing to see Jack at LRNA functions in the future. Thanks for a job exceedingly well done,
Jack!

In the Township of Muskoka Lakes there is also a new Mayor. Phil Harding has assumed the role and Allen Edwards was re-elected as the Ward B council member. Both have been good friends of the LRNA in the past and we also look forward to working with them on key issues impacting our area.

The 3rd Ontario Municipal Board Pre-Hearing was held in November 2018. Please refer to LRNA.ca for a complete update on the positive results from this pre-hearing.

The LRNA Board of Directors has accepted the challenge of running the Rosseau Regatta which, with the exception of summer 2018, has been held at the Rosseau Waterfront for the past 51 years. We know we have an important local legacy to live up to! With the support of the Township of Seguin, we will be expanding the scope of the regatta and have already started to actively plan for a first LRNA FAMILY DAY/REGATTA to be held on Saturday, July 27, 2019 from 10 a.m. to 2 p.m.

Lake Rosseau North Association

Summer Regatta

SAVE THE DATE

Saturday July 27th, 2019

In addition to standard regatta activities, we will integrate other land and water-based, fun and educational activities to attract you - our members and your children, grandchildren. We will have demos, info booths, a light breakfast and BBQ lunch. It should be a full, fun and educational day for "kids of all ages!"

We will continue to provide you with updates and information on this key LRNA event as summer gets closer. We will be soliciting volunteers as well as participants so please think summer for a few moments and **SAVE THE DATE - Saturday July 27th!!**

On behalf of the LRNA Board, I wish you have a safe and happy holiday!

Corinne Hagerman
President
