# Rosseau VILLAGE VOICE

Community updates for the members  
of the Lake Rosseau North Association

## A Message from the LRNA:

As 2023 comes towards it's close, we look back at a great year of community, sport and unity. The launch of the Save Stations and the fun celebration at the Roseau Retreat B&B. The partnership with Seguin brought PickleBall to the Rosseau sports field - amazing to see the courts bustling with players of all ages! A fabulous "all-weather" summer social that raised some great awareness and funds for Friends of Muskoka Watershed and Ash Muskoka - our land and water is our worth.

New businesses opened and thrived - OHM Life, Rosseau Village Spa and Rosseau Village Music, Casa Muta - and our Gourmet Shoppe is back at Crossroads! We were able to connect and support and introduce these new ventures with Instagram - a great tool to bring everyone up to date and in the know! And our new, sleek Marina is in the final stages of getting ready for a great Spring launch of new businesses and opportunity. Exciting things to come.

So in the spirit of appreciation, we launch The Rosseau Village Voice this fall to celebrate and connect our unique community to our members. North Rosseau is a year round destination and there is much to do and celebrate this coming holiday season. We encourage you to read and share our new Voice - and think of us if you spot something worth sharing!

-Teri McGurk, President
